**Community Sandbag Scheme** - Extract from the Dorset Association of Parish and Town Councils Summer Newsletter 2014

“To help villages and towns prepare for future flood events West Dorset District Council and Weymouth and Portland Borough Council wish to promote the use of community sand bag stores by offering a quantity of sandbags free of charge. To be considered for a community sand bag store the parish or town council will need to find a suitable location than can store sand bags in dry conditions and is easily accessible to residents during a flood event. If you are interested in setting up a facility and would like further information then please call the Assets and Infrastructure Team on 01305 252479”
