entitled to terminate the Booking or change the driver into another Vehicle from the same vehicle category on providing you with 24 hours' notice.

## 9.1. PARKING CHARGES/SPEEDING FINES

Parking charges, speeding and other fines incurred during the rental period will be your responsibility. If you do not pay these, such charges will be billed by us to you, including any increases for late payment, together with the administration fee(s) noted in the Tariff.

## 10. CONGESTION CHARGES

You are liable to pay all charges if responsible for moving the Vehicle into a charge zone, except where a Vehicle is delivered into a congestion charge zone. In this case, we will charge you the standard fee as charged by Transport for London ("TfL").

Pre-Delivery & Collection Charges: where delivery of a Vehicle is requested within a charge zone on a weekday prior to 09:30 we reserve the right to pre-deliver on the previous day. In this case we will add a charge for the day of delivery onto the invoice. The driver will then be responsible for charge payment on each day of the rental. If the off-hire address is within a charge zone, a charge will be made for the day of termination of the Booking, irrespective of whether or not the Vehicle has moved within the charge zone.

Delivery & Collection Charges: where deliveries are made within a charge zone on the day of rental, we will levy a charge for that day and the driver of the Vehicle will then be responsible for paying the charges every other day that the Vehicle moves within the charge zone. A charge will be made for the day of termination of the rental, irrespective of whether or not the Vehicle has moved within the zone.

Late Collection Charges: where collection within a charge zone is requested and termination is notified after 16:00, we may be unable to collect the Vehicle until the next working day. In such circumstances, we will add a charge for the day of collection to the rental invoice.

Payment Process:

Payment must be made to TfL by no later than midnight of the day following travel into the congestion zone.

If payment is not made by midnight the following day a Penalty Charge Notice ("PCN") is issued by TfL and will be sent to the registered owner of the vehicle. These charges may be subject to change by TfL and any applicable charges will be charged to you by us, plus the agreed administration charge as per the Tariff.

## VEHICLE BREAKDOWN

All Vehicles are supplied with 24-hour breakdown assistance within the UK in accordance with the policy located in the vehicle.

Should the Rental Company notify us of any Damage to a returned Vehicle, and where we have not previously notified you, we will endeavour to notify you of this Damage within 10 working days of the Vehicle being collected by the Rental Company.

In the event of any Damage to a third-party vehicle caused or contributed to by you, a third-party notification may be sent to you at any time. In the event that we receive any third party notifications, the correspondence will be sent to you to deal with. You must respond to all third party correspondence directly and promptly. You shall indemnify us and keep us fully indemnified against any and all liabilities, costs, expenses, damages and direct losses suffered or incurred by us arising out of or in connection with such third party claims.

If you dispute any Damage, we will place the relevant invoice on hold whilst the Rental Company looks into the dispute. You must provide such evidence as requested by us in relation to the dispute. Disputes arising that the driver did not check the Vehicle prior to driving, or on collection, will not be accepted as valid reason for dispute. Liability for Damage will remain with you. The Rental Company's decision in relation to any dispute over Damage is final.

The invoice for damage repairs will be sent electronically to your nominated email address. VAT will be added where applicable.

Where a Vehicle is damaged beyond repair, we will use reasonable endeavours to notify you within 10 working days of being notified by the Rental Company that the Vehicle is beyond repair and will supply you with a Vehicle valuation based on the CAP guide which you agree to pay upon receipt of an invoice for the relevant amount.

An administration fee as set out in the Tariff will be applied to all damage invoices raised.

## 7.4. FUEL/EXCESS MILEAGE

In the event of a long-term hire, i.e. a hire of over 27 rental days, both fuel and excess mileage may be billed to you during the hire period, e.g. in the event a Vehicle is changed over during the hire period.

Rentals with a duration in excess of 27 days will be subject to agreed mileage allowances for 28 day periods. All miles driven in addition to the agreed limit are subject to an excess mileage charge, as detailed within the Tariff. Such excess mileage charges which may be incurred will be raised as soon as we become aware that the agreed mileage limit has been exceeded. Excess mileage charges are subject to the payment terms detailed within the Tariff and are as per all standard rental charges.

Should a driver significantly exceed the agreed mileage limit, as determined by us or the relevant Rental Company in their sole discretion, we will be

4.2.

Vehicles returned to airports at the end of the Rental Period are to be returned to the appropriate Rental Company's site. Any Vehicles left in an airport car park or not returned to the appropriate location will be subject to any additional days' rental costs, collection, towing and/or parking charges, until the vehicle is collected or recovered to the appropriate Rental Company's supplying branch, which will be your responsibility.

4.3.

Keys must be readily available to the Rental Company at the time of collection at the end of the Rental Period. The abortive collection charge set out in the Tariff and, where applicable, rental charges will be levied, if the Vehicle and/or keys are not available at the prearranged collection point as agreed between the parties. In the event of keys being locked within the Vehicle or keys going missing as a result of your acts or omissions, costs incurred will be recharged to you. Keys must not be left on/around/in the Vehicle at any time. Where possible, keys should be left with a nominated party (e.g. neighbour) to ensure security of the vehicle collection.

4.4.

Our key location/off hire procedure may vary from those specified in these Conditions and you must comply with the relevant procedure stipulated by us. Any additional costs incurred due to failure to adhere to the arranged collection procedure will be your responsibility.

4.5.

You are responsible for the safe keeping and must, unless otherwise agreed with us, insure the Vehicle for a minimum of 8 hours after termination of the Rental Period to allow reasonable time for the Vehicle to be collected by the relevant Rental Company.

4.6.

If an extension to a hire period is required you must inform us a minimum of 4 working hours prior to the original time for termination of the Booking to avoid payment of the abortive collection charges set out in the Tariff being levied to you.

4.7.

In the event that mileage is being incurred in excess of the agreed mileage allowances, as determined by us or the relevant Rental Company in their sole discretion, we reserve the right to terminate the relevant Booking by giving you 24 hours' notice. For the avoidance of doubt, mileage allowances vary according to vehicle type.

5.

**DAMAGE TO A VEHICLE**  
Any Vehicles that are supplied to you must be checked by you for Damage. If any Damage is found you must report the Damage to us and mark any such Damage on the vehicle inspection report by a) within 1 hour of the agreed start time or b) before the Vehicle is driven by you, depending on which of these occurs earliest. If no Damage is reported then it is accepted by you that the Vehicle is not damaged.
